

Declaration

European Union Directive 2011/65/EU (**RoHS**)
Registration, Evaluation, Authorization and Restriction of Chemicals (**REACH**)
Candidate List of Substances of Very High Concern (**SVHC**) under REACH

January 1, 2021

To Our Valued Customers,

MW Components - Corona manufactures bellows, machined parts and welded assemblies from a variety of mill sources and component suppliers which have declared that their materials comply with the requirements of the European Union Directive 2011/65/EU, REACH regulation requirements (EC 1907/2006 REACH) and the EU Candidate List of Substances of Very High Concern (SVHC) under REACH.

As a manufacturer of "articles" which do not intentionally release chemical substances, MW Components - Corona is not subject to the REACH regulation requirements (EC 1907/2006 REACH).

Products manufactured at MW Components - Corona do not contain any significant amounts of chemical substances on the EU Candidate List of Substances of Very High Concern (SVHC) under REACH.

We will continue to work with our approved suppliers to ensure materials purchased comply with the EU RoHS directive, REACH and SVHC to ensure that the representation made in this compliance statement remain accurate.

Furthermore, processing these materials at MW Components - Corona does not alter the ability of these materials to remain compliant with the EU RoHS directive, REACH and SVHC.

Sincerely,

Susie Sheppard
Material Management
MW Components - Corona
